SITAR & TABLA PERFORMANCES FOR YOUR WEDDING

We have over ten years experience of performing Classical Indian music at weddings, so we know how to help enhance your wedding day to make it a special occasion for all to remember.

Your wedding is important to you and we are willing to liaise to ensure that you get exactly what you want, at the appropriate time for you and your guests.

If you would like to request a particular raga or tala we will do our utmost to accommodate your choice, or we can select something suitable for time of day, season or location, enabling you to concentrate on other aspects of the wedding.

We are able to provide a professional quality PA for amplification of our performance to ensure that your guests fully enjoy the music, and also if your venue cannot provide it, we can organise a suitable stage to make sure that you and your guests all get a good view of the performance.

Ricky Romain (Sitar) & Jon Sterckx (Tabla) are professional musicians trained in North Indian classical music. (Trained in India & UK)

They have been regularly performing together since 2001 and have developed a strong performance rapport. Ricky & Jon's highly engaging and dynamic performances range from slow, meditative melodies through to fast and highly detailed exciting rhythmical interplay.

Indian Music At Your Wedding - Things to consider:

Indian instruments are quiet, therefore amplification will be necessary to ensure that your guests can hear and enjoy the music. We can supply a high quality PA for amplification.

Indian music is played sat on the floor. While staging is not essential, it is highly recommended so that your guests can see and fully enjoy the performance and to give a professional quality to the performance at your wedding. We are able to supply a stage if your venue cannot.
